CONTRACTING OFFICER TICKLIST AND GUIDANCE FOR THIS MODEL

- General - The attached model solicitation (Request for Quotations or RFQ) is prepared in the commercial item format prescribed in FAR 12.303.
- 1. Always use A/OPE's most recent contract model. Do not recycle an older version. Contract models are updated with FAR clauses many times per year. Link to A/OPE model contracts at:
http://aopeed.a.state.gov/content.asp?content_id=8&menu_id=47
- In the documentation to the A/OPE Desk Officer, Contracting Officer has stated the file name of the model the Contracting Officer has copied from A/OPE's intranet at:
http://aopeed.a.state.gov/content.asp?content_id=8&menu_id=47
- Instructions for each “[*Note to Contracting Officer*]” have been followed
- Offeror and Contracting Officer have completed all appropriate fill-in-the-blank sections, many of which are denoted by “[]”
- FAR part 12 addresses commercial item acquisitions. FAR part 2 defines a commercial item. If you are uncertain whether these services in the host country fall within the commercial item definition, please contact your A/OPE Desk Officer, who will assist you in making that decision.
- If you have questions about FAR Provisions and clauses, consult FAR 52.3, the provision and clause matrix, at http://acquisition.gov/far/current/html/52_301Matrix.html. Do not delete any provisions or clauses without talking with your A/OPE Desk Officer.
- You have coordinated the tasks with the requirements office to ensure all tasks are necessary.
- REQUIRED – Before sending to A/OPE for review, all modified clauses are **highlighted** unless the instructions for that clause in the model expressly state that post should modify the clause to reflect post specifics.
 - REQUIRED - Rationale for this modification has been included in the memo requesting review from A/OPE.
 - Highlights** have been removed before issuing solicitation
- Cover Page of Solicitation
 - For commercial item contracts/purchase orders **exceeding \$150,000**, use the SF-1449 as the cover page.

- For commercial item contracts/purchase orders of **\$150,000 or less**, use either the SF-1449 (which can be used for the RFQ and award) or the SF-18 (for the RFQ) and OF-347 (for the award). If the SF-18 is used:
 - Include FAR clause 52.212-4 and provision 52.212-1, either by reference or in full text (this clause and provision are included on the SF-1449 by reference in block 27, but not on the SF-18); and
 - Correct all references to the SF-1449. **Consequently, it would be simpler to use the SF-1449 in all cases when buying services as a commercial item.**
- For commercial item contracts/purchase orders of up to \$5.5 million, use a Request for Quotations (RFQ) number, rather than a Request for Proposals (RFP) number.
- Fill-Ins and Add-Ins -- The solicitation contains several FAR clauses that must be filled in, either by you (before the RFQ is released) or by the offeror/quoter, before submitting the document to you. These fill-ins are as follows:

Contracting Officer completes:

- 52.216-18 - Ordering. Applicable if this will be an IDIQ contract
- 52.216-19 - Order Limitations. Applicable if this will be an IDIQ contract
- 52.216-22 - Indefinite Quantity. Applicable if this will be an IDIQ contract
- 52.232-19 - Availability of Funds for the Next Fiscal Year
- Add in if option for additional period of performance included:
 - 52.217-9 - Option to Extend the Term of the Contract (MAR 2000)
 - (a) The Government may extend the term of this contract by written notice to the Contractor within the performance period of the contract or within 30 days after funds for the option year become available, whichever is later.
 - (b) If the Government exercises this option, the extended contract shall be considered to include this option clause.
 - (c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed ***[Note to Contracting Officer: insert number of months or years]*** (months)(years).
- Add in if option for increased quantity is desired:
 - 52.217-7 Option for Increased Quantity - Separately Priced Line Item (MAR 1989)

The Government may require the delivery of the numbered line item, identified in the Schedule as an option item, and in the quantity and at the price stated in the Schedule. The Contracting Officer may exercise the option by written notice to the Contractor within **[Insert in the clause the period of time in which the Contracting Officer has to exercise the option]**. Delivery of added items shall continue at the same rate that like items are called for under the contract, unless the parties otherwise agree.

Offeror/quoter completes:

- 52.212-3, Offeror Representations and Certifications--Commercial Items
- Appropriate information has been entered into all blank fields
- Your A/OPE Desk Officer has approved this document when and where approval is appropriate
- Tailoring of FAR clauses - Some tailoring of FAR clauses is permissible, but this should rarely occur. In the model, the addendum for both FAR clause 52.212-4 and FAR provision 52.212-1 shows no tailoring. If you need to tailor this clause, please contact your A/OPE Desk Officer for guidance.
- The entire contract model, including all completed tick lists and instructions, has been saved somewhere for your records so you'll have a history of what you've done.
- "Model Updates" at the beginning of this document were deleted before final printing.
- ALL "Tick List and Guidance" comments have been deleted before final printing.
- "[Notes to Contracting Officer]" which are embedded in the model have been deleted before final printing
- Contracting Officer has read the document before it has been submitted to A/OPE for review.
- Contracting Officer has made sure all A/OPE comments are incorporated before issuance.
- Contracting Officer has actually read the final document before distribution.
- The document makes sense to both you and your A/OPE Desk Officer
- The Proposal due date is listed per instructions in FAR part 5. Also, the Contracting Officer has ensured this due date does not fall on an Embassy holiday or weekend.

- PIB 2007-14 has been reviewed to ensure public notification/advertising requirements have been satisfied where appropriate. When in doubt, contact your A/OPE Desk Officer. Link to PIBs on A/OPE intranet site:
http://aoepd.a.state.gov/content.asp?content_id=86&menu_id=50
- The proposed COR has been notified of all required training as set forth in DOSAR subpart 642 to ensure these requirements have been satisfied prior to or at the time of award.
- Contracting Officer has negotiated for the lowest priced technically acceptable offer.
- Defense Base Act Insurance clauses reviewed and modified
 - When the Contracting Officer has a reasonable expectation that no covered contractor employees (see PIB 2009-20 on the A/OPE intranet site at:
http://aoepd.a.state.gov/content.asp?content_id=86&menu_id=50 for definition of covered versus non covered employees) will be included in the offers (e.g., offers will come from local overseas contractors and the work is to be performed in a country that has local workers' compensation laws), the Contracting Officer shall include the following FAR clause and DOSAR provision in the document:
 - FAR clause 52.228-4, *Workers' Compensation and War-Hazard Insurance Overseas*; place in Section 2
 - Provision entitled *Defense Base Act – Covered Contractor Employees*; place in Section 5
 - If, in response to the document, any offeror knows that they will employ covered employees, the offeror is required to notify the Contracting Officer prior to the closing date.
 - The Contracting Officer shall then amend the document to add a line item in Section 1 (see sample language in B.2.7 and actual item in B.3.6 of the LGP model).
 - If covered employees will be employed, delete the following
 - Provision entitled 652.228-70 *Defense Base Act – Covered Contractor Employees* from Section 2.

Also add the following clauses/provisions if using covered employees:

FAR clause 52.228-3, *Workers' Compensation Insurance (Defense Base Act)*; place in Section 2.

DOSAR clause 652.228-71, *Workers' Compensation Insurance (Defense Base Act) – Services*; place in Section 2. If this clause is used mark paragraphs b, c, d, e, and f as “RESERVED.”

Offerors shall be given additional time to incorporate the DBA contractor rates into their proposed prices.

Section 3 completed. Pre-Proposal Conference/Site Visit - If there will be a pre-proposal conference or site visit, provide information in a cover letter to the solicitation. You may use the pre-proposal conference/site visit language from any of the other A/OPE model solicitations and add to Section 3. Link to contract models on A/OPE's intranet site at: http://aopeed.a.state.gov/content.asp?content_id=8&menu_id=47

SECTION 5 COMPLETED - American Business Sources

C. VALUE ADDED TAX (VAT)

[Note to Contracting Officer: Does VAT get included in the solicitation?]

You need to understand the VAT process of the host government in order to determine if or how VAT should be incorporated into this solicitation. Select either VAT Version A or VAT Version B.

Is this acquisition using Foreign Assistance Funds? If yes, you must include one of the versions below.

Use VAT Version A if the Contractor must invoice the USG and pay VAT to the host government even if the host government later reimburses post. If Version A is selected, Contracting Officer must:

State whether the full VAT amount is charged on all aspects of the contract and provide a separate line item with a firm fixed priced amount (not a percentage).

Use VAT Version B if the Contractor will not be required to invoice for and pay VAT to the host government, either because the host country has no VAT or because the embassy has a tax exemption certificate that relieves our service contractors from collecting and paying VAT. Note that these exemptions frequently only apply when the embassy is directly purchasing goods and do not exempt a service contractor from charging and paying VAT. If the embassy has this certificate, a copy of it or the number of it will need to be furnished to the Contractor for use under this contract.]

VAT VERSION A

VALUE ADDED TAX. Value Added Tax (VAT) is not included in the CLIN rates. Instead, it will be priced as a separate Line Item in the contract and on Invoices. The portions of the solicitation subject to VAT are:

- (d) Purchase Number
- (e) Number of Rooms
- (f) Unit Price, and
- (g) Total Price

The Contracting Officer may place orders orally, telephonically, by facsimile, or in writing. Oral orders shall be confirmed in writing within three calendar days.

[Note to Contracting Officer: Include the following clause if multiple indefinite delivery/indefinite quantity contracts awarded.]

If more than one contractor has received an award, the following procedures shall govern regarding issuance of individual task orders. The contractor shall provide no rooms without an order issued by the Contracting Officer.

- (1) The Government will develop a price estimate. If the estimate does not exceed \$3000 USD, the Government will follow the procedures in paragraph (2) below. If the estimate exceeds \$3000 USD, the Government will follow the procedures in paragraph (3) below.
- (2) Orders not exceeding \$3000 USD - The Government will select a contractor for issuance of the order on a rotating basis. This decision will be based on the

Government's best interests, which may include factors such as price, past performance, and unique qualifications which meet the level of quality required.

- (3) Orders exceeding \$3000 USD - Unless one of the exceptions in paragraph (4) below applies, the Government will:
 - (a) Make its award based on comparisons of price, past performance, and unique qualifications which meet the level of quality required to meet the Government's security and logistical requirements. Award will be made to the lowest priced, technically acceptable hotel.
 - (b) Regardless of whether the procedures in paragraph (1) or (2) above were followed, selection of contractors shall not be protestable to GAO under FAR subpart 33.1, except on the grounds that the order increases the scope, period, or maximum value of the contract. However, the Department of State does have an Acquisition Ombudsman who will review complaints by contractors to ensure that all contractors are afforded a fair opportunity to be considered for these task orders, pursuant to the procedures for award of task orders established herein.
- (4) Exceptions to the procedures in paragraph (3) above:
 - (a) The agency need for the required services is of such urgency that providing such competitive opportunity would result in unacceptable delays;
 - (b) The order should be issued on a sole-source basis in the interest of economy and efficiency as a logical follow-on to an order already issued under the contract, provided that all awardees were given a fair opportunity to be considered for the original order; or
 - (c) It is necessary to place an order to satisfy a minimum guarantee.

(C) Complying or agreeing to comply in the normal course of business with the unilateral and specific selection by a boycotting country, or national or resident thereof, of carriers, insurance, suppliers of services to be performed within the boycotting country or specific goods which, in the normal course of business, are identifiable by source when imported into the boycotting country;

- (F) Compliance by a U.S. person resident in a foreign country or agreement by such person to comply with the laws of that country with respect to his or her activities exclusively therein, and such regulations may contain exceptions for such resident complying with the laws or regulations of that foreign country governing imports into such country of trademarked, trade named, or similarly specifically identifiable products, or components of products for his or her own use, including the performance of contractual services within that country, as may be defined by such regulations.

SECTION 4 - EVALUATION FACTORS

[Note to Contracting Officer: Following the second sentence below, the Contracting Officer may describe any additional items that may be required, such as a company brochure, technical proposal, client list, financial statement, etc.].

Award will be made to the lowest priced, acceptable, responsible offeror. Proposals shall include a completed solicitation. The Government reserves the right to reject proposals that are unreasonably low or high in price.

The lowest price will be determined by multiplying the offered prices in “Prices - Continuation of SF-1449, block 23”, and including all options. Acceptability will be determined by assessing the offeror's compliance with the terms of the RFP. Responsibility will be determined by analyzing whether the apparent successful offeror complies with the requirements of FAR subpart 9.1, including:

1. Adequate financial resources or the ability to obtain them;
2. Ability to comply with the required performance period, taking into consideration all existing commercial and governmental business commitments;
3. Satisfactory record of integrity and business ethics;
4. Necessary organization, experience, and skills or the ability to obtain them;
5. Necessary equipment and facilities or the ability to obtain them; and

The following FAR provisions are provided in full text:

52.217-5 EVALUATION OF OPTIONS (JUL 1990)

The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. Evaluation of options will not obligate the Government to exercise the option(s).

[Note to Contracting Officer: Insert FAR 52.225-17 in full text if you will be allowing quotations to be submitted in more than one currency (U.S. dollars or local currency).]

52.225-17 EVALUATION OF FOREIGN CURRENCY OFFERS (FEB 2000)

If the Government receives offers in more than one currency, the Government will evaluate offers by converting the foreign currency to United States currency using the exchange rate used by the Embassy in effect as follows:

- (a) For acquisitions conducted using sealed bidding procedures, on the date of bid opening.
- (b) For acquisitions conducted using negotiation procedures—

However, Posts may add that paragraphs (c), (d), (f), and (g) can be reserved if the vendors are all overseas vendors. If Post expects some US firms, then those paragraphs must remain in Representations and Certifications. Paragraph (h) applies only if the contract value is expected to exceed the simplified acquisition threshold. These amended representation(s) and/or certification(s) are also incorporated in this offer and are current, accurate, and complete as of the date of this offer. For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American Act. (h) Certification Regarding Responsibility Matters (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) Are, are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) Have, have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local

government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) o Are, o are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) o Have, o have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).]

(1) Listed end products.

_____	_____
_____	_____

(2) Certification. [If the Contracting Officer has identified end products and countries of origin in paragraph (i)(1) of this provision, then the offeror must certify to either (i)(2)(i) or (i)(2)(ii) by checking the appropriate block.]

(i) The offeror will not supply any end product listed in paragraph (i)(1) of this provision that was mined, produced, or manufactured in the corresponding country as listed for that product.

(ii) The offeror may supply an end product listed in paragraph (i)(1) of this provision that was mined, produced, or manufactured in the corresponding country as listed for that product. The offeror certifies that it has made a good faith effort to determine whether forced or indentured child labor was used to mine, produce, or manufacture any such end product furnished under this contract. On the basis of those efforts, the offeror certifies that it is not aware of any such use of child labor.

(j) Place of manufacture. (Does not apply unless the solicitation is predominantly for the acquisition of manufactured end products.) For statistical purposes only, the offeror shall indicate whether the place of manufacture of the end products it expects to provide in response to this solicitation is predominantly—

(1) In the United States (Check this box if the total anticipated price of offered end products manufactured in the United States exceeds the total anticipated price of offered end products manufactured outside the United States); or

(2) Outside the United States.

(k) Certificates regarding exemptions from the application of the Service Contract Act. (Certification by the offeror as to its compliance with respect to the contract also constitutes its certification as to compliance by its subcontractor if it subcontracts out the exempt services.)
